FRAME ASSEMBLY AND PRINT ATTACHMENT

ASSEMBLY

1. Align the top pole section of the umbrella to the bottom pole section.
2. Push the button of the bottom pole in and slide the top pole on till you hear a click.
3. Line the bottom pole up with the base and lightly push it into the base.
4. Secure the umbrella to the base by tightening the base to the pole.
5. Turn the hand crank to extend the umbrella print.
6. The print should be taut on the hardware.
7. Your umbrella is ready to use!
